COMMISSION OF THE EUROPEAN COMMUNITIES

Brussels, 11.11.2009

COM(2009)621 final

Proposal for a

COUNCIL DECISION

on the signing and the provisional application of a protocol to the Euro-Mediterranean Agreement between the European Communities and their Member States, of the one part, and the Republic of Tunisia, of the other part, to take account of the accession of the Republic of Bulgaria and Romania to the European Union

EXPLANATORY MEMORANDUM

According to Article 6(2) of the Act annexed to the Treaty of Accession of the new Member States to the EU, accession of the new Member States to the Euro-Mediterranean Association Agreement is to be agreed by means of a protocol to that Agreement. The same article provides for a simplified procedure, whereby the protocol is to be concluded by the Council, acting unanimously on behalf of the Member States, and by the third country concerned. This procedure is without prejudice to the Community's own competences.

On 23 October 2006 the Council authorised the Commission, on behalf of the European Community and its Member States, to negotiate with Tunisia a protocol amending the agreements between the European Community and third countries, in particular the Euro-Mediterranean Association Agreement between the European Communities and their Member States, of the one part, and Tunisia, of the other part, to take account of the accession of the new Member States to the EU.

The negotiations with Tunisia have since been completed to the satisfaction of the Commission. Tunisia showed its agreement in an exchange of letters which was concluded on 25 June 2009.

The attached proposals concern a Council Decision on the signing of the protocol.

The text of the protocol negotiated with Tunisia is attached. The most important aspects of the protocol are the provisions for the accession of the new Member States to the EU-Tunisia Association Agreement, and the inclusion of the new official languages of the EU to take account of EU enlargement.

The Commission invites the Council to approve the draft Council Decision for the conclusion of the Protocol.

Proposal for a

COUNCIL DECISION

on the conclusion and the provisional application of a protocol to the Euro-Mediterranean Agreement between the European Communities and their Member States, of the one part, and the Republic of Tunisia, of the other part, to take account of the accession of the Republic of Bulgaria and Romania to the European Union

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty establishing the European Community and in particular Article 310 in conjunction with the first sentence of the first subparagraph of Article 300(2) thereof.

Having regard to the Act of Accession of Bulgaria and Romania, and in particular Article 6(2) thereof,

Having regard to the proposal from the Commission,

Whereas:

- (1) On 23 October 2006 the Council authorised the Commission, on behalf of the European Community and its Member States, to negotiate with Tunisia a protocol amending the agreements between the European Community and third countries, in particular the Euro-Mediterranean Association Agreement between the European Communities and their Member States, of the one part, and Tunisia, of the other part, to take account of the accession of the new Member States to the EU.
- (2) These negotiations have been concluded to the satisfaction of the Commission.
- (3) The text of the Protocol negotiated with Tunisia provides, in Article 8(2), for the provisional application of the Protocol before its entry into force.

- (4) The Agreement should be signed and applied on a provisional basis, pending the completion of the procedures for its formal conclusion.

HAS DECIDED AS FOLLOWS:

Article 1

The Protocol to the Euro-Mediterranean Association Agreement between the European Communities and their Member States, of the one part, and the Republic of Tunisia, of the other part, to take account of the accession of the Republic of Bulgaria and Romania to the European Union is hereby approved on behalf of the European Community and its Member States, subject to its conclusion.

The text of the Protocol is attached to this Decision.

Article 2

The President of the Council is hereby authorised to designate the person(s) empowered to sign, on behalf of the European Community and its Member States, the Protocol to the Euro-Mediterranean Agreement between the European Communities and their Member States, of the one part, and the Republic of Tunisia, of the other part, to take account of the accession of the Republic of Bulgaria and Romania to the European Union.

Article 3

CHAPTER II

TRANSITIONAL PROVISIONS

Article 3 (Proofs of origin and administrative cooperation)

1. Proofs of origin issued by either Tunisia or a new Member State under preferential agreements or autonomous arrangements applied between them shall be accepted in the respective countries, provided that:
 - a) the acquisition of such origin confers preferential tariff treatment on the basis of either the preferential tariff measures contained in the Euro-Mediterranean Agreement or in the Community scheme of generalised tariff preferences;
 - b) the proof of origin and the transport documents were issued no later than the day before the date of accession;
 - c) the proof of origin is submitted to the customs authorities within four months of the date of accession.

Where goods were declared for importation in either Tunisia or a new Member State, prior to the date of accession, under preferential agreements or autonomous arrangements applied between Tunisia and that new Member State at that time, proof of origin issued retrospectively under those agreements or arrangements may also be accepted provided that it is submitted to the customs authorities within a period of four months from the date of accession.

2. Tunisia and the new Member States are authorised to retain the authorisations with which the status of “approved exporters” has been granted in the framework of preferential agreements or autonomous arrangements applied between them, provided that:
 - a) such a provision is also provided for in the agreement concluded between Tunisia and the Community prior to the date of accession of these States;
 - b) the approved exporter applies the rules of origin in force under that agreement.

These authorisations shall be replaced, no later than one year after the date of accession, by new authorisations issued in accordance with the conditions of the Agreement.

3. Requests for subsequent verification of proof of origin issued under the preferential agreements or autonomous arrangements applied between Tunisia and a new Member State may be made by the competent customs authorities of either Tunisia or the new Member States and accepted by those authorities for a period of three years after the issue of the proof of origin concerned.

Article 4 (Goods in transit)

1. The provisions of the Euro-Mediterranean Agreement may be applied to goods exported from either Tunisia to one of the new Member States or from one of the new Member States to Tunisia, which comply with the provisions of Protocol 4 and which on the date of accession are either en route or in temporary storage, in a customs warehouse, in a free zone or on an industrial estate in Tunisia or in that new Member State.

2. Preferential treatment may be granted in such cases, subject to the submission to the customs authorities of the importing country, within four months from the date of accession, of a proof of origin issued retrospectively by the customs authorities of the exporting country.
