Proposal for a

COUNCIL DECISION

**on the position to be taken by the European Union
in the EEA Joint Committee
concerning an amendment to Annex II
(Technical regulations, standards, testing and certification)
to the EEA Agreement**

EXPLANATORY MEMORANDUM

1. CONTEXT OF THE PROPOSAL

In order to ensure the requisite legal security and homogeneity of the Internal Market, the EEA Joint Committee is to integrate all the relevant legislation of the European Union into the EEA Agreement as soon as possible after its adoption.

2. RESULTS OF CONSULTATIONS WITH THE INTERESTED PARTIES AND IMPACT ASSESSMENTS

The draft Decision of the EEA Joint Committee (annexed to the proposed Council Decision) aims to incorporate Regulation (EU) no 1274/2011 of 7 December 2011 concerning a coordinated multiannual control programme of the Union for 2012, 2013 and 2014 and to ensure compliance with maximum residue levels of pesticides and to assess the consumer exposure to pesticide residues in and on food of plant and animal origin.

Regulation (EC) No 1213/2008 concerning a coordinated multiannual control programme for pesticides residue 2009-2011 was incorporated into the EEA Agreement with certain adaptations for the EEA EFTA states.

These adaptations should be carried over to Regulation (EU) no 1274/2011.

The adaptations concern the number of pesticides to be monitored by Iceland and the number of samples of each product to be taken and analysed by Iceland and Norway. They take into account, in particular, the limited laboratory capacity for pesticide residue analysis in Iceland.

3. LEGAL ELEMENTS OF THE PROPOSAL

Article 1(3) of Council Regulation (EC) No 2894/94 concerning arrangements for implementing the EEA Agreement provides that the Council establishes the position to be adopted on the Union's behalf on such Decisions, on a proposal from the Commission.

The Commission submits the Draft Decision of the EEA Joint Committee for adoption by the Council as the Union's position. The Commission would hope to be able to present it in the EEA Joint Committee at the earliest possible opportunity.
