Proposal for a

COUNCIL DECISION

**on the position to be taken by the European Union in the EEA Joint Committee
concerning an amendment to Annex XX (Environment) to the EEA Agreement**

EXPLANATORY MEMORANDUM

1. CONTEXT OF THE PROPOSAL

In order to ensure the requisite legal security and homogeneity of the Internal Market, the EEA Joint Committee is to integrate all the relevant Union legislation into the EEA Agreement as soon as possible after its adoption.

2. RESULTS OF CONSULTATIONS WITH THE INTERESTED PARTIES AND IMPACT ASSESSMENTS

The draft Decision of the EEA Joint Committee (annexed to the proposed Council Decision) aims to amend Annex XX (Environment) to the EEA Agreement.

More concretely, this amendment aims to incorporate certain Commission regulations implementing Directive 2007/2/EC establishing an Infrastructure for Spatial Information in the European Community (INSPIRE).

Directive 2007/2/EC was incorporated into the Agreement by EEA Joint Committee Decision (JCD) No 55/2010 of 30 April 2010.¹ The Decision entered into force on 1 July 2011.

Commission Decision 2009/442/EC implementing Directive 2007/2/EC as regards monitoring and reporting and Commission Regulation (EC) No 1205/2008 implementing Directive 2007/2/EC as regards metadata were incorporated into the Agreement by EEA JCD No 124/2010 of 10 November 2010.² This Decision also entered into force on 1 July 2011.

JCD No 55/2010 contains adaptations in relation to certain time limits set under Directive 2007/2/EC. The adaptations indicate that those time limits will run from either the date of entry into force of the JCD incorporating the corresponding implementing rules (JCD No 124/2010) or the date of entry into force of JCD No 55/2010.

The EFTA States explained that if the adaptation text foreseen in EEA JCD No 55/2010 is maintained and a similar one is provided for in relation to the new EU acts to be incorporated, the actions to be carried out by the EFTA States would no longer be in the same chronological and logical order as those by the EU Member States.

In order to remedy this situation, the EFTA States consider that it would be necessary to refer to all dates and time limits set in the relevant EU acts rather than to the date of entry into force of the EEA JCDs. Furthermore, in order to take into account the fact that JCD No 55/2010 was adopted three years after the Directive itself, the EFTA States consider it appropriate that an additional period of three years is added to all related dates and time limits set in the relevant EU acts.

3. LEGAL ELEMENTS OF THE PROPOSAL

Article 1(3) of Council Regulation (EC) No 2894/94 concerning arrangements for implementing the EEA Agreement provides that the Council establishes the position to be adopted on the Union's behalf on such Decisions, on a proposal from the Commission.

The Commission submits the Draft Decision of the EEA Joint Committee for adoption by the Council as the Union's position. The Commission would hope to be able to present it in the EEA Joint Committee at the earliest possible opportunity.
